*An institutional report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and
Campus Crime Statistics Act.*

ANNUAL DISCLOSURE OF CRIME STATISTICS

The Clery Act requires all institutions of higher education to publish an annual report of security policies and crime statistics. Information contained in this report was also solicited from the local city police forces for the purpose of identifying crimes that occurred on city streets and property adjacent to Southern Technical College. This report is made available to all current and prospective students and employees; for a printed copy, visit the campus LRC. The report is due by October 1st of each year and must contain certain crime statistics for the most recent three year reporting period. In addition to this report Southern Technical College reports its crime statistics to the Department of Education, which posts the information to their web site at <http://www.ope.ed.gov/campussafety>.

SOUTHERN TECHNICAL COLLEGE OFFICE OF CAMPUS SAFETY

The Office of Campus Safety at Southern Technical College is charged with the responsibilities of providing life safety and property protection. The department strives to contribute to the academic environment by performing assigned duties with a positive, service-oriented educational approach.

DRUG & ALCOHOL POLICY AND EDUCATIONAL PROGRAMS

POSSESSION, SALE AND/OR CONSUMPTION OF NON-PRESCRIPTION AND ILLEGAL DRUGS

No student may be in illegal possession of, deliver, dispense, distribute, administer, manufacture or wholesale any controlled substance, including marijuana, narcotics, hallucinogens, and other chemical analog or drug-related paraphernalia prohibited by State or Federal Drug Laws. (Federal law requires that students be informed that federal and state laws prohibit possession and/or use of illicit drugs. Southern Technical College complies with Federal and State laws regarding illicit drugs.)

The college reserves the right to investigate any suspicious activity regarding nonprescription and illegal drugs. Investigation may include but is not limited to classroom and/or vehicle inspection, canine drug scan or drug screening in cases of strong suspicion of drug use. (Refusal to submit to these measures at time of request may be viewed as strong evidence which may result in suspension.)

DRUG FREE COMPLIANCE

The Drug Free Schools and Communities Act Amendment of 1989 mandates that all employees of an institution be informed that possession, use, or sale of illicit drugs is prohibited by state and federal laws. Furthermore, standards of conduct must be established by the institution which prohibits the possession, sale, or use of illicit drugs or alcohol on college property or as part of any

of its activities. Failure to comply with this law will result in loss of eligibility to receive funds through any federal programs, including federally funded or guaranteed student loan programs. In compliance with the Drug-Free Workplace Act of 1988, the College property consists of the following: *All College of Southern Technical College, consisting of all administrative offices, on-site and off-site classrooms, common areas, storerooms, stairwells, student and staff lounges, classes, hallways, restrooms, and the parking lot areas.*

Non-compliance with the terms in the paragraph above will result in the following action:

- Notification of law enforcement agency;
- Recommendation of drug rehabilitation;
- Dismissal of offender

DRUG FREE AWARENESS PROGRAM

All employees and students are informed that the college has established a drug-free awareness program informing students and employees about:

- Our policy of maintaining a drug-free school;
- Any available drug counseling, rehabilitation, and student assistance programs; and
- The penalties that may be imposed upon students for drug above violations occurring on College property, as defined above.
- The dangers of drug abuse.

Available referral to drug counseling and rehabilitation for employees can be obtained through our Employee Assistance Program:

- EAP Consultants, LLC at 800-869-0276 or visit the Member Access page of our web site at www.eapconsultants.com.

PARENT NOTIFICATION FOR DRUG AND ALCOHOL VIOLATIONS

In accordance with the Higher Education Amendments of 1998 to the Family Educational Rights and Privacy Act (FERPA) of 1974, Southern Technical College will notify a parent or legal guardian of a student who is under 21 years of age when the student has been found guilty through disciplinary channels of violating any Southern Technical College rule regarding alcohol or illegal drugs. Southern Technical College also reserves the right to notify parents at any time regarding matters of student discipline.

CAMPUS SECURITY AUTHORITIES

The Department of Education in 34CFR Part 668 also defines “campus security authorities” as someone with “significant responsibility for student and campus activities”. Southern Technical College further defines the following as “campus security authorities”:

- Executive Director
- Director of Education
- Chief Operating Officer

REPORTING A CRIME

In the event of an actual crime or emergency in progress, get to a safe place and call 911 immediately. Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Office of Campus Safety in a timely manner. Any suspicious activity or person seen in the parking lots or loitering around vehicles, and inside building should be reported. Do not hesitate to request maximum and immediate help by calling 911 especially if a crime or emergency is in progress. Campus Personnel will assist students that request help in notifying authorities.

CONFIDENTIAL REPORTING PROCEDURES

If you are a victim of a crime and do not want to pursue action within the College or criminal justice system, you may still want to consider making a confidential report. With your permission, the Campus Security Authority can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of the campus community. With such information, the College can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics of the institution.

TIMELY WARNINGS

Information on criminal incidents and other campus emergencies that occur, either on or off campus, that, in the judgment of the Southern Technical College Administration or Office of Campus Safety constitutes an ongoing or continuing threat to the campus community, a campus wide “timely warning” will be issued. The information included in the warning may include but is not limited to the type of incident, the location of the incident, the date and time of the incident, and how the campus community should respond. Distribution will be made through e-mail and written notifications placed strategically throughout campus. The warning will only be issued after it is determined that it will not compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

SEX OFFENDER REGISTRIES

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends *The Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act*, the *Jeanne Clery Act*, and the Family Educational Rights and Privacy Act of 1974, the Southern Technical College Office of Campus Safety is providing the following links: <http://www.nsopr.gov> and <http://offender.fdle.state.fl.us/offender/homepage.do>.

The “Campus Sex Crimes Prevention Act” requires sex offenders who are enrolled in or work at institutions of higher education to register with the state’s sex offender registration program. The state in turn is obligated to notify the school’s law enforcement unit as soon as possible.

FACILITIES

Most buildings are opened and closed by housekeeping or by the maintenance. Hours of operation are effected by needs of faculty, special events and other scheduled activities. After hours use of a building requires the approval of the Campus Executive Director or Designee. Persons using buildings after hours should do so with a partner or let someone know where they will be and for how long. All facilities have fire alarm systems that report locally with an audible/strobe alarm and the Fire Department.

POSSESSION OF FIREARMS, FIREWORKS, EXPLOSIVES, OR WEAPONS

Southern Technical College conforms to Florida statutes which address the possession of weapons on or within 1,000 feet of a school safety zone. Violation of this policy will result in appropriate action, including but not limited to expulsion, dismissal, and/or criminal prosecution, if a student or visitor to campus engages in any of the following:

1. Using, possessing, distributing manufacturing, maintaining, transporting or receiving, within any location on College property or at any College sponsored event, any of the following weapons as defined below:

- a. Firearm or weapon whether operable or inoperable as defined in or any object of like character, including but not limited to paintball guns, BB/pellet guns, potato guns, air soft guns or nay device which propels a projectile of any kind;
- b. Knife having a blade of two or more inches
- c. Straight edge razor or razor blade
- d. Spring stick
- e. Bat, club, or other bludgeon type weapon

- g. Throwing star or oriental dart
- h. Stun gun or taser
- i. Any destructive device, detonator, explosive, incendiary, over-pressure device or any explosive materials

The possession of a valid firearms permit, or a valid license to carry a concealed weapon, does not exempt students from the provisions of this policy.

PERSONAL SAFETY

IN THE EVENT OF SUSPICIOUS OR CRIMINAL ACTIVITY, GET TO A SAFE PLACE AND PROMPTLY
CALL 911.

Personal safety and property security at Southern Technical College is everyone's responsibility. The Office of Campus Safety urges all members of the campus community to participate in making the campus as safe as possible. If members of the community develop good security habits, they can assist the college in safeguarding personal property and college property.

TO DEVELOP GOOD SAFETY HABITS, FOLLOW THESE SECURITY TIPS:

IF YOU SENSE A POTENTIAL THREAT

- Assess the situation and then take action.
- Move away from the potential threat. You will have to decide how immediate the threat is and how drastic your action should be.
- Join any group of people nearby. Cross the street and increase your pace to move away from danger.
- Go to a well-lighted public place and call the police immediately.
- If you believe a threat is imminent and you see people nearby to help, yell, scream, or make a commotion in any way you can.

- Open or broken doors/windows, which could signify a possible burglary in progress or scene of a completed crime.
- Person(s) sitting in parked vehicles for an extended period.
- A vehicle driving slowly in the parking lot at night with its lights out.

WALKING ALONE ON CAMPUS

- Walk purposefully, briskly, and keep moving.

- Stay in well-lighted areas as much as possible.
- Arrange a buddy system with someone you know.
- Stay alert to surroundings and trust personal instincts.
- When in danger, attract attention any way you can.

SAFETY IN YOUR CAR

- Have the car key ready when approaching a vehicle and check to make sure no one is hiding inside.
- Park in well-lit designated parking areas.
- Keep all valuables out of sight in the trunk of the vehicle.
- Always lock the car.

DISCLOSURE OF CRIME STATISTICS

A crime is reported when it is brought to the attention of a campus security authority or the local police by a victim, witness, other third party, or even the offender. Disclosure of crime reports must occur regardless of whether any of the individuals involved in either the crime itself, or in the reporting of the crime are associated with the institution. Alleged criminal incidents will be

reported even if no investigation by the police or campus security authority occurs that could result in a finding of guilt or responsibility.

VAWA PROHIBITED ACTS AND DEFINITIONS

PROHIBITED ACTS AND DEFINITIONS

In compliance with the Violence Against Women Act (VAWA), the VAWA Policy prohibits sexual harassment, domestic violence, dating violence, sexual assault, stalking and other acts that as defined below:

- a. *Sexual Harassment* is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile, or offensive. Sexual harassment includes sexual violence (see definition below). STC will respond to reports of any such conduct in accordance with the VAWA, or other applicable, Policy. Sexual harassment may include incidents between any members of the STC community, including faculty, staff or other employees, students or third parties such as, but not limited to: vendors, contractors, and visitors. Sexual harassment may occur in hierarchical relationships, between peers, or between individuals of the same sex or opposite sex. To determine whether the reported conduct constitutes sexual harassment, consideration shall be given to the record of the conduct as a whole and to the totality of the circumstances,

including the context in which the conduct occurred.

- b. *Sexual Violence* is defined as physical sexual acts engaged without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.
- c. *Domestic Violence* is defined as any felony or misdemeanor crime committed by a current or former spouse of the victim; person the victim has a child with; an individual who lives, or has lived, with the victim as a spouse, or a person similarly situated to a spouse; and any other person committing an act “against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
- d. *Dating Violence* is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
- e. *Sexual Assault* occurs when physical sexual activity is engaged without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person’s intoxication or incapacitation through the use of drugs or alcohol, or taking advantage of the other person’s incapacitation (including voluntary intoxication).
- f. *Forcible Sexual Offense* is defined as any sexual act directed against another person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent.
- g. *Non-Forcible Sexual Offense* is defined as unlawful, non-forcible sexual intercourse. There are two types of Non-forcible Sex Offenses:
 - a. Incest is non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - b. Statutory Rape is non-forcible sexual intercourse with a person who is under the statutory age of consent.

Consent is informed. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. Consent is *voluntary*. It must be given without coercion, force, threats, or intimidation. Consent means positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of freewill. Consent is *revocable*. Consent to some form of sexual activity does not imply consent to other forms of sexual activity. Consent to sexual activity on one occasion is not consent to engage in sexual activity on another occasion. A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be mutual consent to engage in sexual activity. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately. Consent cannot be given when a person is *incapacitated*. A person cannot consent if s/he is unconscious or coming in and out of consciousness. A person cannot consent if s/he is under the threat of violence, bodily injury or other forms of coercion. A person cannot consent if his/her understanding of the act is affected by a physical or mental impairment. For purposes of this *Policy*, the age of consent is the age consistent with Florida Law.

- h. *Incapacitation* is defined as the physical and/or mental inability to make informed, rational judgments. States of incapacitation include, but are not limited to, unconsciousness, sleep, and blackouts. Where alcohol or drugs are involved, incapacitation is defined with respect to how the alcohol or other drugs consumed affects a person’s decision-making capacity, awareness of consequences, and ability to make fully informed judgments. Being intoxicated by drugs or alcohol does not diminish one’s responsibility to obtain consent. The factors to be considered when determining whether consent was given include whether the accused knew, or whether a reasonable person should have known, that the complainant was

- incapacitated.
- i. *Stalking* is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

SOUTHERN TECHNICAL COLLEGE NON – DISCRIMINATION AND ANTI-HARASSMENT POLICY AND PROCEDURES

Southern Technical College (the College) is committed to providing prompt and effective resolution of allegations of discrimination and harassment. The College’s grievance procedures are to be used for complaints of discrimination on the basis of sex as required by Title IX of the Education Amendments of 1972 (34 C.F.R. §106.8(b)). These grievance procedures are also to be used for complaints of discrimination on the basis of disability filed under Section 504 of the Rehabilitation Act of 1973 (34 C.F.R. §104.7(b)), and on the basis of age filed under the Age Discrimination Act of 1975 (34 C.F.R. §110.25(b)).

To file a complaint please refer to the grievance procedures provided in the student and employee handbooks.

As a student and employee of the College you have the right to file complaints of discrimination and harassment. Complaint investigations will be conducted in a fair, respectful, and consistent manner.

All students and employees of Southern Technical College are expected to comply with the terms and conditions of this policy and to take appropriate measures to ensure that prohibited conduct does not occur. Disciplinary action, up to and including, expulsion from the College with no opportunity for re-entry will be taken against any student who violates this policy.

Sexual harassment does not refer to behavior or occasional compliments of a socially acceptable nature. Sexual harassment refers to behavior that is unwelcome, whether those involved stand in a subordinate-supervisory relationship, faculty-student relationship, employee-student relationship, student-student relationship, employee-employee relationship or vendors doing business with the College. Sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature constitutes sexual harassment when:

- Submission to the conduct is made either implicitly or explicitly as a condition to receiving a passing grade or favoritism in class or the student’s continued attendance in class or enrollment in the College,
- The harassment has the purpose or effect of interfering with the student’s school performance or creating an environment which is intimidating, hostile, or offensive to the student.

No employee or student shall threaten or suggest, either directly or indirectly, that a student’s refusal to submit to sexual advances will adversely affect the student’s grades, progress, evaluation, advancement, or any other aspect of academics.

The College remains watchful for inappropriate behavior or conduct; however the nature of harassment or discrimination is such that it is often difficult for the College to detect. Therefore, if you believe that you are being subjected to, or witness any form of harassment or discrimination, it is your responsibility to immediately bring this to the attention of your Instructor, Program Manager (if applicable) or the Director of Education. If a faculty member is the person who is responsible for the harassment or discrimination or if you have reported such conduct to your

Program Manager and no action appears to have been taken, then you are to report this situation to the Campus Executive Director or Director of Education.

FORMS OF HARASSMENT

Forms of harassment may include but are not limited to:

- You may find it helpful to keep a detailed log of all incidents noting the date, time, place, and persons involved and any witnesses to the event.

Harassment of any type will not be tolerated by the College. If an employee or student becomes aware of any behavior that may constitute harassment, it is the responsibility of that person to report such conduct.

SOUTHERN TECHNICAL COLLEGE VAWA POLICY

PURPOSE AND SUMMARY

Southern Technical College (STC) is committed to creating and maintaining a community where all individuals who participate in STC programs and activities can work and learn together in an atmosphere free of harassment, exploitation, or intimidation.

STC prohibits sexual harassment and sexual violence. Such behavior violates both law and STC policy. The STC will respond promptly and effectively to reports of sexual harassment and sexual

violence and will take appropriate action to prevent, to correct, and when necessary, discipline behavior that constitutes sexual harassment and / or sexual Violence, or otherwise violates the Violence against Women Act (herein referred to as “VAWA Policy”).

SCOPE OF POLICY

The VAWA Policy applies to all STC employees and students.

CONSENSUAL RELATIONSHIPS

The VAWA Policy covers unwelcome conduct of a sexual nature. Consensual romantic relationships between members of the STC community are subject to other STC policies outlined in the Employee and/or Student Handbooks. While a consensual romantic relationship between members of the STC community may begin or continue for some time without issue, as relationships change they may evolve into situations that lead to charges of sexual harassment or sexual violence.

GENDER IDENTITY, GENDER EXPRESSION, OR SEXUAL ORIENTATION DISCRIMINATION

Harassment that is not sexual in nature but is based on gender, gender identity, gender expression, sex- or gender-stereotyping, or sexual orientation also is prohibited by STC, as part of its nondiscrimination policy, if it denies or limits a person’s ability to participate in or benefit from STC educational programs, employment, or services. While discrimination based on these factors may be distinguished from sexual harassment, these types of discrimination may contribute to the creation of a hostile work or academic environment. Thus, in determining whether a hostile environment due to sexual harassment exists, the STC may take into account acts of discrimination based on gender, gender identity, gender expression, sex- or gender-stereotyping, or sexual orientation.

RETALIATION

The VAWA Policy prohibits retaliation against a person who reports sexual harassment, sexual violence or other types of harassment, or someone who assists another person with a VAWA complaint, or a person who participates in any manner in an investigation or resolution of a complain under the VAWA Policy. Retaliation includes threats, intimidation, reprisals, and/or adverse actions related to employment or education.

REPORTING SEXUAL HARASSMENT OR SEXUAL VIOLENCE

Any member of the STC community may report conduct that may constitute a violation of VAWA, including sexual harassment or sexual violence, to any supervisor, manager, or the Title IX Officer. An individual who believes he or she has been subjected to sexual harassment or sexual violence may file a complaint or grievance pursuant to the applicable complaint resolution or grievance procedures as outlined in the Employee and/or Student Handbooks. Such complaint or grievance may be filed either instead of or in addition to making a report of sexual harassment to the Title IX Officer. A complaint or grievance alleging sexual harassment or sexual violence must meet all the requirements under the applicable complaint resolution or grievance procedure, including time limits for filing.

If the person to whom harassment normally would be reported is the individual accused of harassment, reports may be made to any manager, supervisor, or designated employee. Managers, supervisors, and designated employees are required to notify the Title IX Officer or other appropriate official designated to review and investigate sexual harassment complaints when a report is received.

Any manager, supervisor, or designated employee responsible for reporting or responding to

sexual harassment or sexual violence who knew about the incident and took no action to stop it or failed to report the prohibited act may be subject to disciplinary action.

Reports of sexual harassment or sexual violence should be brought forward as soon as possible after the alleged conduct occurs. Prompt reporting will better enable STC to respond, determine the issues, and provide an appropriate remedy and/or action. All incidents should be reported even if a significant amount of time has passed. However, delaying a report may impede STC's ability to conduct an investigation and/or to take appropriate remedial actions.

An individual who has made a report of sexual harassment or sexual violence also may file a separate complaint or grievance alleging that the actions taken in response to the report of sexual harassment or sexual violence did not follow the VAWA Policy. Such a complaint or grievance may not be filed to address a disciplinary sanction imposed upon the accused. Any complaint or grievance regarding the resolution of a report of sexual harassment or sexual violence must be filed within EEOC time limits for filing a charge. The time period for filing begins on the date the individual was notified of the outcome of the sexual harassment or sexual violence investigation or other resolution process pursuant to the VAWA Policy, and/or of the actions taken by the administration in response to the report of sexual harassment or sexual violence, whichever is later.

RESPONSE TO REPORTS OF SEXUAL HARASSMENT OR SEXUAL VIOLENCE

STC will provide a written explanation of available rights and options, including procedures to follow, when the STC receives a report that the student or employee has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether the offense occurred on- or off-campus or in connection with any STC program.

Upon a finding of sexual harassment or sexual violence, STC may offer remedies to the individual or individuals harmed by the harassment and/or violence consistent with applicable complaint resolution and grievance procedures. Both the complainant and the alleged perpetrator will be notified, in writing, about the outcome of the complaint and any appeal.

PRIVACY

STC shall protect the privacy of individuals involved in a report of sexual harassment or sexual violence to the extent permitted by law and STC policies. A report of sexual harassment or sexual violence may result in the gathering of extremely sensitive information about individuals in the STC community. While such information is considered confidential, STC policy regarding access to public records and disclosure of personal information may require disclosure of certain information concerning a report of sexual harassment or sexual violence. In such cases, every effort shall be made to redact the records in order to protect the privacy of individuals. An individual who has made a report of sexual harassment or sexual violence may be advised of sanctions imposed against the accused when the individual needs to be aware of the sanction in order for it to be fully effective (such as restrictions on communication or contact with the individual who made the report). In addition, when the offense involves a crime of violence or a non-forcible sex offense, the Family Educational Rights and Privacy Act permits disclosure to the complainant the final results of a disciplinary proceeding against the alleged accused, regardless of whether the STC concluded that a violation was committed. Information regarding disciplinary action taken against the accused shall not be disclosed without the accused's consent, unless permitted by law as noted above, or unless it is necessary to ensure compliance with the action or the safety of individuals.

REQUESTS FOR CONFIDENTIALITY

Confidential resources, outside/third party counseling sources are available for individuals who may be interested in bringing a report of sexual harassment or sexual violence with a safe place to discuss their concerns and are posted on the STC website.

Individuals who consult with confidential resources shall be advised that their discussions in these settings are not considered reports of sexual harassment or sexual violence and that without additional action by the individual, the discussions will not result in any action by the STC to resolve their concerns.

An individual's requests regarding the confidentiality of reports of sexual harassment or sexual violence will be considered in determining an appropriate response; however, such requests will be considered in the dual contexts of the STC's legal obligation to ensure a working and learning environment free from sexual harassment and sexual violence and the due process rights of the accused to be informed of the allegations and their source. Some level of disclosure may be necessary to ensure a complete and fair investigation, although the STC will comply with requests for confidentiality to the extent possible.

EMPLOYEE DISCIPLINARY ACTIONS FOR VIOLATIONS OF VAWA POLICY

STC reserves the right to determine on case by case basis, with regard to proven or admitted violations of the VAWA Policy, disciplinary action to be taken with regard to any STC employee.

Disciplinary action resulting from a determination that a violation of the VWA policy occurred, may include but are not limited to: unpaid suspension from work, altered work schedule, training or education specific to the offense, and termination of employment without the opportunity to re-apply for future employment. STC, at its sole discretion may also combine various disciplinary actions it deems appropriate for the violation finding.

The final decision for any disciplinary action taken will be made at the sole discretion of the STC responsible officers and communicated by the Title IX Coordinator. This decision may not be appealed.

STUDENT DISCIPLINARY ACTIONS FOR VIOLATIONS OF VAWA POLICY

STC reserves the right to determine on case by case basis, with regard to proven or admitted violations of the VAWA Policy, disciplinary action to be taken with regard to any STC student.

Disciplinary action resulting from a determination that a violation of the VWA policy occurred, may include but are not limited to: suspension from school, altered class schedule, training or education specific to the offense, community service requirements at a location determined by the school, and withdrawal from the school without the opportunity to re-enroll. STC, at its sole discretion may also combine various disciplinary actions it deems appropriate for the violation finding.

The final decision for any disciplinary action taken will be made at the sole discretion of the STC Responsible Officers and communicated by the Title IX Coordinator. This decision may not be appealed.

SOUTHERN TECHNICAL COLLEGE SEX OFFENSE PREVENTION

Southern Technical College is dedicated to the prevention of sexual assault, and promotes the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses. Annually the College holds informational sessions available to both the students and the employees. These sessions are meant to educate both students and employees on what is considered a sexual offense and what resources are available to victims. To help promote awareness to the issues victims face, during a week in October the College will display purple colored ribbons across campus as a reminder.
